CHAIRMAN'S STATEMENT

The past six months saw a continuation of the progress that the Neptune Group Limited has demonstrated during the past few years. We predicated intent to expand our investments in Cotai and have done such. Our portfolio has grown to welcome Galaxy and City of Dreams selected revenue streams into our listed company. In just a few short years our company has clearly increased investment in the gaming sector and be part of the Macau gaming phenomenon. As Macau gross gaming revenue grows every month with VIP sector its catapult. The Group is now positioned for sustained growth both in earnings and shareholder position. Our share price growth has been noted by most and daily volume has increased measurably. Yet a complacent level of satisfaction will not be projected nor accepted by the Group and its Board of Directors. Intentions remain high that shareholder value quite possibly shall benefit even further from the flurry of targeted investments made during this six month period.

It been said many times that "Bright Years" are ahead for Macau. Those predications of course came true, each and every year, since the expansion of gaming licenses issued by the government incepted. The next few years are expected to be no exception. VIP gaming remains a hefty 60% or more of the total gross gaming revenue (GGR). In a soon to arrive 40 billion USD market, that win remains a staggering accomplishment. Our present investments are focused on those sectors which contribute nicely to that 60%. Our future investments will target the new wave of Cotai construction which is capable of bringing that GGR number to a 50% or more growth rate. Yes our intentions parallel this new wave. We move forward hand in hand with Macau. Certainly, as you examine the luxurious details of the upcoming Cotai explosion you become impressed. New international hospitality brands, new ideas and design abound. The Group sees growth opportunity in each and every proposal. Clearly it is our intention to expand our portfolio through the coming years.

We continue to receive a battery of queries regarding the continued growth in Macau thru the next decade. As one can appreciate any predication of the future is delicate at best. Many factors play a role in sustaining growth. However, the Group fundamentally is bullish on the SAR. A low visitor penetration rate from its main market is paramount. Low single digit rate is easy to surpass to a double digit index. That is significant. Competing jurisdictions both real and potential offer little threat to growth. Macau is clearly the hub. This will seemingly guarantee its future for many years.

I thank you for your continued support of the Group.

Danny Xuda Huang
Chairman of the Board

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS OVERVIEW

The unaudited profit of the Group for the six months ended 31 December 2013 amounted to approximately HK\$353,871,000 (2012: HK\$306,641,000); basic earnings per share of HK3.80 cents per share, a slight decline from the same period in last year of HK4.58 cents per share. This year marked a momentous milestone for the company that we have successfully acquired some shareholding from two more junket promoters, as a result this will boost up our revenue, which at present showing increased up to HK\$351 million more without contribution from these investments at this stage. Within this period, the unaudited net profit was approximately HK\$353.9 million after deducting the general and administrative expenses of approximately HK\$3.6 million similar as compared to the last year period. The year on year growth in revenue is leading to approximately HK\$351.3 million, an increase of approximately HK\$66.5 million from a year ago.

What is notably is that our business model is now based on small percent sharing on rolling turnover of these junkets. At present we are deliberating to form a partnership with some of them which operated gaming tables in different casinos. Over past few years, we provided a good customers network and they delivered their good service to clients and continue to offer a superior experience for the customers. Moving to the crest of more new casinos to be opened in next two years, we believe that new business model, should be adopted to build a cornerstone that our group will be successful in years ahead showing sustained business growth.

For the six months ended 31 December 2013, we generated a record of net cash inflows of approximately HK\$196.9 million arising from operating activities. On the other hand, our net cash outflows was approximately HK\$260.2 million mainly attribute to investing activities making an cash payment of HK\$241 million – full settlement of consideration paid to vendor for acquisition of 5% shareholding of Joyful Celebrate Global Limited, a subsidiary Hoi Kit Diversoes Sociedade Unipessoal Limitada which operated its business in Galaxy Cotai. Another major spending was for repayment of HK\$18 million as repayment of advance from associate.

On monthly basis we repay approximately HK\$0.24 million to reduce our loan principle and accrued interest. Last year we were granted a mortgage loan of HK\$25 million from a bank to purchase our own office premises. Therefore we paid HK\$1.1 million as partial refund of loan principle and HK\$0.33 million for bank mortgage interest during the period.

MANAGEMENT DISCUSSION AND ANALYSIS *(continued)*

BUSINESS OVERVIEW *(continued)*

Looking forward 2014, we remain cautiously optimistic. No doubt some countries proclaimed their colossal gaming project in next couple of years, may have influential impact on Macau. But this could be a very good chance the gaming outlook will be revised up in Asia which bringing us more opportunity to run business in new countries. Our group will change our strategy to weather any possible outcomes on overall business atmosphere in Macau.

GAMING RELATED BUSINESS

Revenue derived from the commission on rolling turnover for six months ended 31 December 2013 was recorded approximately HK\$351,259,000 (2012: HK\$284,800,000).

A twenty three percent increase denotes our organic and inorganic growth through a flurry of further acquisitions of profit sharing agreement signed with junket promoter's with it business is proven to be a successful strategy. In order to strengthen our market share in gaming industry, at the same time, minimize our risk being overly rely on one or two junkets, we still think this business model is still viable. Business recovery sputtered in second quarter of this financial year, despite of China growth slowed, however so far this doesn't much affect our performance during this six months period. Return from gaming segment still fomenting the net asset value of our Group; the profit reported from our subsidiaries along with sharing from our associate which has steadily maintain HK\$6.2 million during the period, eventually arrived to a net profit HK\$353.9 million.

Another spark is a critical decision to mesh weighing on our business which in the past coming from sharing of profit from junket promoters operating in concessionaries situated in Peninsula, now we focus to those junkets operating in Cotai, Macau for space of further acquisitions.

In September last year, we have entered into an agreement with Hoi Kit Diversoes Sociedade Unipessoal Limitada, an VIP operator in Galaxy Cotai after restructuring their profit stream, to pay HK\$241 million as a consideration for acquisition of 5% issued share capital of Joyful Celebrate Global Limited. Under this agreement, our return on investment primarily was secured in contractual term to receive an profit guarantee HK\$29.7 million in the first 2 years.

On 19 September 2012, the Group entered into a sale and purchase agreement with the vendor, the junket promoter and the junket owner, pursuant to which the Group agreed to acquire and the vendor agreed to sell 20% of the issued share capital of Essence Gold Investment Limited (“Essence Gold”) for a consideration of HK\$150,000,000. The Group also entered into a call option agreement dated 19 September 2012 with the vendor for a consideration of HK\$1 and the vendor irrevocably granted to the Group the right to require the vendor to transfer the shares (the “EG Call Option”) representing in aggregate up to 80% of the issued share capital of Essence Gold (the “EG Call Option Shares”) or any part to the Group at HK\$7.5 million per the EG Call Option Share. The EG Call Option will be expired after 36 months after completion of this acquisition.

Essence Gold, which is a company incorporated in the British Virgin Islands with limited liability, entered into a profit assignment agreement (the “EG Profit Assignment Agreement”) on 19 September 2012 with the junket promoter and the junket owner, pursuant to which the junket promoter assigned, as legal and beneficial owner, and the junket owner procured the junket promoter to assign to Essence Gold absolutely and free from any encumbrance whatsoever the junket promoter’s right, title interest and benefits in and to 0.4% of the rolling turnover (the “EG Profit Streams”) generated from not less than 11 gaming tables at Guangdong 31 Sky Club at Grand Lisboa in Macau.

15. ACQUISITION OF A SUBSIDIARY *(continued)*

The EG Call Option, if fully exercised, would give the Group 100% voting power over Essence Gold. Based on the directors' assessment, the EG Call Option provides the Group with the potential voting right over Essence Gold which in turn provides the Group with the ability to control Essence Gold. As a result, Essence Gold was consolidated as a subsidiary on 30 September 2012, which was the date of legal transfer of the 20% issued share capital of Essence Gold by the vendor to the Group. As the Group currently holds 20% equity interests in Essence Gold, 80% of the post-acquisition results and net assets of Essence Gold are allocated to non-controlling interests.

Contingent liability in respect of legal claim for office rental

On 1 September 2004, a writ of summons and statement of claim was made by The Center (49) Limited against the Company in respect of the office previously rented by the Group. The claim is for a sum of approximately HK\$3.3 million together with interest and cost. In the opinion of the Company's directors, the amount claimed is unreasonable. The Group would vigorously contest against such claim. After obtaining legal advice, a provision of approximately HK\$1.6 million has been made in the financial statements for the year ended 30 June 2004. During the six months ended 31 December 2013 and the year ended 30 June 2013, there has been no significant progress.

18. EVENT AFTER THE END OF REPORTING PERIOD

On 13 January 2014, the Group entered into a sale and purchase agreement with the vendor, the junket promoter and the junket owner, pursuant to which the Group agreed to acquire and the vendor agreed to sell 5% of the issued share capital of Superiority Wealthy Limited (“Superiority Wealthy”) for a consideration of HK\$208,330,000. The Group also entered into a call option agreement dated 13 January 2014 with the vendor for a consideration of HK\$1 and the vendor irrevocably granted to the Group the right to require the vendor to transfer the shares (the “SW Call Option”) representing in aggregate up to 95% of the issued share capital of Superiority Wealthy (the “SW Call Option Shares”) or any part to the Group at HK\$41,666,000 per the Call Option Share. The SW Call Option will be expired after 36 months after completion of this acquisition.

Superiority Wealthy, which is a company incorporated in the British Virgin Islands with limited liability, entered into a profit assignment agreement (the “SW Profit Assignment Agreement”) on 13 January 2014 with the junket promoter and the junket owner, pursuant to which the junket promoter assigned, as legal and beneficial owner, and the junket owner procured the junket promoter to assign to Superiority Wealthy absolutely and free from any encumbrance whatsoever the junket promoter’s right, title interest and benefits in and to 0.3% of the rolling turnover (the “SW Profit Streams”) generated from not less than 11 gaming tables at COD Neptune Guangdong VIP Club at the City of Dream in Macau.

Under the SW Profit Assignment Agreement dated 13 January 2014, the junket promoter irrevocably and unconditionally guaranteed to Superiority Wealthy that the SW Profit Streams for the first and the second relevant periods shall not be less than HK\$11,574,000 and HK\$13,888,800, respectively. In the event that the SW Profit Streams received and/or receivable by Superiority Wealthy for the first and the second relevant periods shall be less than HK\$11,574,000 and HK\$13,888,800, respectively, the junket promoter undertook to pay to Superiority Wealthy an amount equivalent to the difference between HK\$11,574,000 and the SW Profit Streams received and/or receivable by Superiority Wealthy during the first relevant period; and the difference between HK\$13,888,800 and the SW Profit Streams received and/or receivable by Superiority Wealthy during the second relevant period.

The SW Call Option, if fully exercised, would give the Group 100% voting power over Superiority Wealthy. Based on the directors’ assessment, the SW Call Option provides the Group with the potential voting right over Superiority Wealthy which in turn provides the Group with the ability to control Superiority Wealthy. As a result, Superiority Wealthy shall be consolidated as a subsidiary on the date of legal transfer of the 5 issued share capital of Superiority Wealthy by the vendor to the Group.

The acquisition of 5% of the issued share capital of Superiority Wealthy and the SW Call Option was completed on 27 February 2014.
